Re: AS 12-03: In the Matter of: Petition of Midway RACs LLC for Adjusted Standard from
35 Ill. Adm. Code 218.586

Dear Dr. Hedman:

The Illinois EPA, on behalf of the State of Illinois, hereby requests withdrawal of the State Implementation Plan revision request of February 1, 2013, for the above-referenced matter. The U.S. Environmental Protection Agency's approval (80 FR 13248) of the Illinois EPA's request to phase-out the gasoline refueling vapor recover (Stage II) requirements in the Chicago ozone nonattainment area has rendered the request moot.

If you have any question concerning this request, please contact Julie Armitage, Chief, Bureau of Air at (217) 785-4140.

Sincerely,

Lisa Bonnett
Director
